Fall Festival for Impact Ministries

Impact Ministries is a Christian-based ministry that is committed to Christian community development. They offer after-school programs including but not limited to tutoring, youth Bible studies, budget classes, computer training, school connections, life skills classes, healthy snacks for the kids, and addiction recovery (for adults). The majority of their involvement is inner-city youth. You can check out their website at www.impactevansville.org. The Fall Festival is a big fundraiser for Impact and they are working hard to make sure it is a big success! They are in need of people to work 3—4 hour shifts selling food at the booth during this year's Fall Festival, which is October 5—10. They are also in need of donated food and booth supplies and cash donations. Please pray for Impact and their success at this year's Festival. If you are interested in volunteering your time or donating supplies, please contact Patti Murphy at (812) 490-1405 or murphy1@wowway.com. Thanks in advance for your help!

Newburgh Christian School— Equipping All Our Students to Achieve Their Full Potential

Newburgh Christian School continues to provide the best in education through smaller class sizes (a maximum of 12 students per room) and Bible-based curriculum. By limiting class sizes the school is able to give consideration to students who learn differently. Along with the core subjects of math, science, language arts and history, students participate in art, music and PE each week.

The leadership team at Newburgh Christian School feels strongly that Christian schooling should be an option for every family so financial assistance is available.

You could learn more about Newburgh Christian School or the virtual school at www.newburghchristianschool.org. The school continues to take enrollment during the fall and interested families are invited to attend Open House at the school (6288 Vann Road) on Wednesdays, October 14, 21 and 28 from 10:00 a.m.—5:00 p.m.
